Subject: Sampling for Falcon Refinery
Date: Tuesday, May 21, 2013 1:46:22 PM

Good Afternoon Christy

I have spoken with our contractor about scheduling sampling for the Falcon Refinery RI/FS and have decided to start sampling the week of July 15.

I am waiting for the contractor to send an update to the field sampling plan and the QAPP before submitting my sampling request. Please let me know if you need any additional information or have any questions.

Thanks
